Thank you for Joining us!

We want to thank everyone who attended A Series of One Acts in

September! It was a great chance for our students to take the stage and show off some of their classroom work! For some, this was a first time to be on the stage and for others it was great to return after the summer break! We hope you enjoyed the shows!

Be sure to visit our website and check our calendar to know about all the exciting upcoming events we have in store for you this season!

Middle school OAP Clinic

Did you know that LHS Theatre hosts the Middle School UIL competition every year? This is a great chance for our students to work with younger thespians and help them with their first experience in a competition. This will be happening on campus at the end of October.

Announcing our UIL Play!

The script has been chosen and our students will perform *Blue Stockings* at UIL this year. Keep an eye out for updates soon on the website.

We Need Your Help!

We are all busy, but most of our opportunities only take 30 minutes or an hour to help out. Plan to come see a show? Come 30 minutes early and help us take tickets or sell concessions — then you get to see the play for free! See Details Below:

Our awesome directors have created an exciting year of shows for us and they can't put the show on alone. We need Parents, Friends and the Community to join us. It's not just volunteering but showing our students how much they matter and how much we care about what they do!

We need help on Build Days to make our sets — don't think you can build? Come anyway for an hour or two and make sure our kids are safe on the tools or grab a paint brush.

Don't have time but want to drop off some concessions? We use Booster

funds to purchase those awesome snacks and drinks we sell at all our shows but if you can pick up an extra box of snack ships at Sams or some Candy bars at Costco we love donations!

Want to see a show but can't afford a ticket? Did you know volunteers at our show can stay and watch for FREE? Help at the concession stand or selling tickets and scanning barcodes then stay for a free seat at the show. We love our volunteers and offer this special perk as a "Thank You".

Just sign up with our Boosters, fill out the LISD Voly background check and watch for "SignUp Genius" opportunities posted on social media, the app and our website before events!
