6 Exciting Shows this Year! We Need Your Help!

Our awesome directors have created an exciting year of shows for us and

they can't put the show on alone. We need Parents, Friends and the Community to join us. It's not just volunteering but showing our students how much they matter and how much we care about what they do!

We need help on Build Days to make our sets — don't think you can build? Come anyway for an hour or two and make sure our kids are safe on the tools or grab a paint brush.

Don't have time but want to drop off some concessions? We use Booster funds to purchase those awesome snacks and drinks we sell at all our shows but if you can pick up an extra box of snack ships at Sams or some Candy bars at Costco we love donations!

Want to see a show but can't afford a ticket? Did you know volunteers at our show can stay and watch for FREE? Help at the concession stand or selling tickets and scanning barcodes then stay for a free seat at the show. We love our volunteers and offer this special perk as a "Thank You".

Just sign up with our Boosters, fill out the LISD Voly background check and watch for "SignUp Genius" opportunities posted on social media, the app and our website before events!
